Description:

The modern, newly renovated 43 m² apartment with beautiful sea views is located on the fifth floor of a building with a lift and offers breathtaking panoramic views of the sea.

The modern renovated 43 m² apartment offers an open-plan living/dining area, 1 bathroom and 1 bedroom, AC, lift.

Cala Major is a suburb of Palma and offers a wide range of shops, schools, supermarkets, lovely restaurants and a wonderfully long, sunny sandy beach. The property offers unobstructed views, a modern and elegant interior and remarkable rental income potential.

Cala Mayor beach is a fine sandy beach that stretches 200 metres long and 80 metres wide. There are rocky outcrops on both sides, and the water is usually very clear and calm. Sun loungers and parasols, showers and toilets, wheelchair and buggy ramps make it a convenient beach near Palma for families. It is surrounded by the best hotels in Cala Mayor and is close to shops and restaurants. In winter, the waves attract surfers.

Approximately 5 minutes to Palma and 20 minutes to the airport.
