Cala Major – only 5 minutes from Palma and located on the coast, with nice restaurants, shops, schools, fitness facilities and a wonderfully long sandy beach.

Parking would be possible. Just a few steps from the sea, the property offers unobstructed views, a modern and elegant interior and remarkable rental potential (approx. £850–£950 when rented). Building from 1965.

Cala Mayor beach is a fine sandy beach that stretches 200 metres long and 80 metres wide. There are rocky outcrops on both sides, and the water is usually very clear and calm. Sun loungers and parasols, showers and toilets, wheelchair and buggy ramps make it a convenient beach near Palma for families. It is surrounded by the best hotels in Cala Mayor and is close to shops and restaurants.
