Description:

Maioris - Atico with pool - Good offer!

The well-kept Atico flat (built in 2000) with a living area of 55 m² and a terrace of 14 m², is located in a nice, quiet complex with lift and with a large pool. The sunny flat on the 3rd floor is in a very central location to the shops and the beautiful park, parking spaces are in front of the door.

The flat with AC has 1 bedroom, 1 bathroom with tub, an open kitchen (brand manufacturer), a storage room with boiler (electricity) and 1 living room with passage to the terrace with view to the park.

It was renovated about 1 year ago (new windows, doors, floor, kitchen, AC, plumbing).

It is about 20 min. to Palma and about 10 min. to the airport, nice beaches are nearby. Behind the complex you reach the sea access in about 5 min.
