Description:

Port d'Andratx - A fantastic modern, renovated country property (finca) on 219 m² with 4 double bedrooms with air conditioning h/c, 4 bathrooms, pool and large terraces on 400 m² in a beautiful and absolutely quiet environment. A modern open-plan kitchen and a large living room with large windows, with spectacular views of the Tramuntana mountains. Enjoy the absolute tranquillity and yet the finca is within walking distance of the charming Port d'Andratx.

Large plot of 5600 m², large pine trees and sun all day, all year round.

Large patio next to the pool with sun loungers, large parasols, barbecue and lounge area - all on one level.

The property is on one level with no stairs in the house or between indoor and outdoor areas.

The marvellous finca is modern and open-plan, with lots of light and many beautiful original details. One bedroom and the adjoining bathroom have doors wide enough for wheelchairs to pass through. Cars can drive right into the kitchen. A romantic footpath leads directly to the harbour with its lovely cafés, shops and restaurants.
