Description:

High-quality modern new-build project on the hill of Santa Ponsa.

Spacious room layout and high-quality fittings with beautiful views - by mid-2025

a total of 24 luxury flats on 4 floors will be built here. The sunny flats have 4 bedrooms and 3 bathrooms facing south-east.

The ground floor flats have large terraces of 18 m² with a garden. The penthouses also have a 90m' roof terrace with sea views and their own 14m² pool.

Perfect for enjoying the beautiful Mediterranean summer nights.

The entire project will be finished to the highest quality standards and with top quality materials.

Communal garden, large swimming pool and a beautiful sun deck complete this offer.

Visit our show flats now. Price from 1298.700 € to 2668.500 €.
