Description:

Magnificent newly renovated terraced house from 2022 with 310 m² of living space and 240 m² of terraces.

This house is located in a beautiful, quiet complex with pool and sunbathing area close to the beach. Beautiful open entrance, 4 bedrooms, large living-dining room with open kitchen, 3 bathrooms with shower, guest toilet, AC, heating (gas), large garage for 2 cars, storage room, hobby room, solar system.

Each floor has a large terrace and from the roof terrace you can enjoy a beautiful sea view.

7 min. to restaurants and supermarket.

Nearby are golf courses, a German school and the beautiful promenade for cycling or walking to Arenal-Palma, past nice beach coves with marvellous sunsets.

Almost too perfect for 1.2 million!
