Description:

Loft / studio overlooking the Mediterranean, ideal for couples.

Incredible location on the beach of Illetas, just a few meters from the sandy beach and the two most exclusive beach clubs in the Bay of Palma. Balneario Illetas and Puro Beach.

Completely renovated, with exquisite decoration, taking into account the North American design of the owners and the original elements. The studio combines all living areas in one room and scores with a large terrace with wonderful sea views and excellent orientation. The materials and surfaces are of first quality. The bright apartment conveys a unique atmosphere of calm and peace.

The renovated bathroom is equipped with a shower with screen, washing machine and appliances are new. The very practical kitchen is characterized by its high quality surfaces. The studio also has a sound system and HD TV. The sofa can be converted into a double bed for occasional guests.

The studio is very well connected, there is a very good bus connection to the center of Palma. The residential area has a very good atmosphere, is very nice, safe and quiet and offers all necessary services of a high level. It is close to Puerto Portals and the luxurious urbanization of Bendinat.
